UNITED STATES BANKRUPTCY COURT  
EASTERN DISTRICT OF CALIFORNIA  
FRESNO DIVISION

---

TO: ALL ATTORNEYS AND TRUSTEES

Departments A and B do not sign orders following use of the “Opportunity for Hearing” procedure described in Local Rule 9014-1(i). If a court order is necessary, the party seeking the order should file a noticed motion under either Local Rule 4001-1 or 9014-1, unless an application is appropriate pursuant to Federal Rules of Bankruptcy Procedure.

Department A. As provided in the Local Rules, Department A may resolve motions (especially uncontested motions) without oral argument if the notice of motion: 1) clearly identifies the deadline for filing written opposition; and 2) states that the court may resolve the matter without oral argument in the event no timely opposition is filed [L.R. 9014-1, Part I(f)].

Department B. Department B’s procedure for objections to claims remains as it has been and is not affected by this notice.
